Additionally, pursuant to A.R.S. § 38-511 the County may recoup any fee or commission paid or due to any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the County from any other party to the Contract arising as the result of the Contract.

**4.9 OFFSET FOR DAMAGES:**

In addition to all other remedies at Law or Equity, the County may offset from any money due to the Contractor any amounts Contractor owes to the County for damages resulting from breach or deficiencies in performance under this Contract.

**4.10 ADDITIONS/DELETIONS OF SERVICE:**

The County reserves the right to add and/or delete products and/or services to this Contract. Should a requirement be deleted, payment to the Contractor will be reduced proportionally, to the amount of service reduced in accordance with the bid price. Should additional products and/or services be required from this Contract, prices for such additions will be negotiated between the Contractor and the County.

**4.11 ASSIGNMENT OR SUBCONTRACTING:**

The Contractor may not assign this Contract or subcontract to another party for performance of the terms and conditions hereof without the written consent of the County. All correspondence authorizing subcontracting must reference the Bid Serial Number and identify the job project.

**4.12 AMENDMENTS:**

All amendments to this Contract must be in writing and signed by both parties.

**4.13 CONFORMATION WITH THE LAW:**

This service shall be accomplished in conformity with the laws, ordinances, rules, regulations and zoning restrictions of the United States of America, the State of Arizona, County of Maricopa, and the City of Phoenix.

**4.14 CONTRACT COMPLIANCE MONITORING:**

The Materials Management Department and Using Agency(s) shall monitor the Contractors compliance with, and performance under, the terms and conditions of the Contract. The Contractor shall make available for inspection and/or copying by the County all records and accounts relating to the work performed or the services provided in this Contract.

**4.15 RETENTION OF RECORDS:**

The Contractor agrees to retain all financial books, records, and other documents relevant to this Contract for five (5) years after final payment or until after the resolution of any audit questions which could be more than five (5) years, whichever is longer. The Department, Federal or State auditors and any other persons duly authorized by the Department shall have full access to, and the right to examine, copy and make use of any and all said materials.

**4.16 ADEQUACY OF RECORDS:**

If the Contractor's books, records and other documents relevant to this Contract are not sufficient to support and document that allowable services were provided. The Contractor shall reimburse Maricopa County for the services not so adequately supported and documented.

**4.17 AUDIT DISALLOWANCES:**

If at any time it is determined by the Department that a cost for which payment has been made is a disallowed cost, the Department shall notify the Contractor in writing of the disallowance and the required course of action, which shall be at the option of the Department either to adjust any future claim submitted by the Contractor by the amount of the disallowance or to require repayment of the disallowed amount by the Contractor forthwith issuing a check payable to Maricopa County.

**4.18 P.O. CANCELLATION LANGUAGE:**

The Department of Materials Management reserves the right to cancel Purchase Orders within a reasonable period of time after issuance. Should a Purchase Order be canceled, the County agrees to reimburse the Contractor but only for actual and documentable costs incurred by the Contractor due to and after issuance of the Purchase Order. The County will not reimburse the Contractor for any costs incurred after receipt of County notice of cancellation, or for lost profits, shipment of product prior to issuance of Purchase Order, etc.

Contractors agree to accept verbal notification of cancellation from the Department of Materials Management with written notification to follow. By submitting a bid in response to this Invitation for Bids, the Contractor specifically acknowledges to be bound by this cancellation policy.

**4.19 SEVERABILITY:**

Any provision of this Contract which is determined to be invalid, void, or illegal shall in no way affect, impair, or invalidate any other provision hereof, and remaining provisions shall remain in full force and effect.

**4.20 CONTRACTOR RESPONSIBILITY:**

The Contractor will be responsible for any damages whatsoever to County property as applicable when such property is the responsibility or in the custody of the Contractor, his employees or Subcontractors.

**4.21 GUARANTEE:**

The materials and supplies called for herein shall be the best of their grade and types, prepared according to the best available standards or accepted formulas, and thoroughly tested and subjected to rigid examination and standardization. Items not meeting these requirements shall be replaced at no cost to the County upon due notice of deficiency.

**4.22 DELIVERY:**

It shall be the Contractor's responsibility to meet the County's delivery requirements, as called for in the Special Terms & Conditions. Maricopa County reserves the right to obtain material on the open market in the event the Contractor fails to make delivery and any price differential will be charged against the Contractor.

**4.23 PRICE REDUCTIONS:**

By submitting a Bid in response to this Invitation for Bids, Contractors agree to guarantee that Maricopa County is receiving the lowest price offered by your company to other customers for similar services at comparable volumes in a similar geographic area. If at any time during the Contract period your company offers a lower price to another customer, notification not be made of price reductions, upon discovery Maricopa County shall reserve the right to take any or all of the following actions:

4.23.1 Cancel the Contract, if it is currently in effect.

4.23.2 Determine the amount which the County was overcharged and submit a request for payment from the Contractor for that amount.

4.23.3 Take the necessary steps to collect any performance surety provided on the applicable contract.

**4.24 RIGHTS IN DATA:**

The County shall have the use of data and reports resulting from this Contract without additional cost or other restriction except as may be established by law or applicable regulation. Each party shall supply to the other party, upon request, any available information that is relevant to this Contract and to the performance hereunder.

**4.25 SECURITY AND PRIVACY:**

The Contractor agrees that none of its officers or employees shall use or reveal any research or statistical information furnished by any person and identifiable to any specific private person for any purpose other than the purpose for which it was obtained. Copies of such information shall not, without the consent of the person furnishing such information, be admitted as evidence or used for any purpose in any action, suit, or other judicial or administrative proceedings, unless ordered by a court of competent jurisdiction. The County shall be notified immediately upon receipt of any such order of court, pertaining to production of such information.

The Contractor shall incorporate the foregoing provisions of this paragraph in all of its authorized subcontracts.
